PROFILE

Michael G. Smith, PLS, has more than 24 years of professional experience in boundary, topographical, utility and construction surveying. He is fully versed in all aspects of the operational, financial and production components of successful land survey projects. Mr. Smith has administered local and regional survey projects for numerous agencies including: the Nevada Department of Transportation (NDOT & ADOT), the Regional Transportation Commission (RTC), Clark County, the City of Las Vegas, the City of Henderson, the City of North Las Vegas, Federal clients such as Creech AFB and the Department of Defense. He manages Actus' full service surveying department while providing services such as ALTA Survey and Construction Staking.
